So we have decided that they are "Financed" by a foreign government.

10. If the foreign principal is an organization and is not owned or controlled by a foreign government, foreign political party or other foreign principal, state who owns and controls it.

- ☒ There is no formal written contract between the registrant and foreign principal. The agreement with the above-named foreign principal has resulted from an exchange of correspondence. If this box is checked, attach two copies of all pertinent correspondence, including a copy of any initial proposal which has been adopted by reference in such correspondence.

4. Describe fully the nature and method of performance of the above indicated agreement or understanding.

The attached letter describes it fully. At first we filled only requests which the Austrian State Tourist Department received and forwarded to us. <sup>1/</sup> Political activity as defined in Section 1(o) of the Act means the dissemination of political propaganda and any other activity which the person engaging therein believes will, or which he intends to, prevail upon, indoctrinate, convert, induce, persuade, or in any other way influence any agency or official of the Government of the United States or any section of the public within the United States with reference to formulating, adopting, or changing the domestic or foreign policies of the United States or with reference to the political or public interests, policies, or relations of a government of a foreign country or a foreign political party.

As Mr. Mattesich never signed this agreement we're considering it "correspondence".

Mr. Rudolf P. Mattesich  
U. S. Representative  
Austrian State Tourist Department  
444 Madison Avenue  
New York 22, New York

Dear Mr. Mattesich:

Thank you for depositing your films with us for distribution. We are very pleased to add the Austrian State Tourist Department to our list of clients. By the end of this week we will have completed our inspection of the prints which Ideal Pictures transferred to us and will send you an inventory and condition report on them.

As we understand it, initially we will fill only those requests for your films which you will either forward to us by mail or telephone in to us. We will book these requests, confirm the reservations to the exhibitors, and send you notice of each booking made. We will ship the prints and inspect them when they are returned to us, making all necessary minor repairs. We will keep a close follow-up on their return. We will enclose an audience report form with each shipment, and will forward to you all those which are returned to us together with our bills for our services, and for these services we will charge you \$2.00 plus transportation costs for each booking we fill.

You have agreed that a number of your films may be made available to schools on a service charge basis, and you have selected the films which may be made available. We will notify school groups regarding the films which are available and the charge. As agreed, the charge for each booking will be \$3.00 plus transportation costs per booking.

We have described our complete service in our letter to you of July 1967 and have set forth our fees in it--\$3.60 per adult group booking and \$2.00 per television booking. If at any time in the future you should want us to perform our complete service for any of your films, then we will perform all types of services for you simultaneously. We will type the words "Complete Service" prominently on our confirmation forms so that the bookings which you forward to us can readily be distinguished from the bookings we would obtain as a result of our own advertising.

From time to time it becomes necessary for us to replace worn out shipping cases and damaged reels and cans. We will purchase these supplies when necessary, and will send you a price list so that you will know what they will cost you. So

Mr. Rudolf F. Mattesich  
Austrian State Tourist Department

Dear Mr. Mattesich, we have finished inspecting about 75% of your prints and have already determined that it will be necessary to order some of these items immediately.

Prints which are otherwise in good condition are sometimes scratched. Scratches can detract from your showings and if permitted to become too heavy, cannot be remedied. We will from time to time recommend scratch removal for some of your prints but would always secure your approval and let you know the cost in advance.

If the services we have described and the fees we have mentioned are satisfactory to you, we would like to let this letter serve as an agreement between us. Will you, then, please sign the enclosed carbon copy of this letter and return it to us.

Sincerely yours,

TRIBUNE FILMS, INC.
